

Melodic Minor Scales
Required 2nd semester sophomore year

This page contains 12 staves of musical notation, each representing a different melodic minor scale. The scales are arranged in ascending order of their key signatures, starting with C minor (no sharps or flats) and ending with F# minor (three sharps). Each staff begins with a treble clef and a common time signature (C). The notation includes the scale's key signature, the sequence of notes (including the characteristic raised 6th degree), and phrasing slurs. The scales are: C minor, D minor, E minor, F minor, F# minor, G minor, G# minor, A minor, A# minor, B minor, B# minor, and C# minor. Each scale is followed by a double bar line and a repeat sign.
